Amen! The Blood of Christ! Amen! That's a big claim. That's a big "Amen." It's a huge thing to say that we receive the Body and Blood of Christ in Holy Communion. It's verging on the ridiculous to say that we believe that at every Mass, by the ministry of Christ's priests, the power of Christ's own words, and the working of the Holy Spirit, ordinary bread and wine becomes the Body and Blood of Christ. But that's exactly what we believe. The truth about the Eucharist is difficult to comprehend, but Jesus is pretty clear about what He means here. In fact, He keeps repeating Himself, just in case you were wondering if He misspoke. "I am the living bread… The bread that I will give is my flesh…Whoever eats my flesh and drinks my blood has eternal life… My flesh is true food…My blood is true drink…" He goes on and on! And we believe it. Why? Because Jesus said it! And we trust Jesus. The "how" would be explained later. Jesus would begin to show them the "how" at the Last Supper. Over many years, holy saints and great Christian thinkers like St. Thomas Aquinas would explain the "how" of the Eucharist. It's worth looking into. But the "why?" That's simple. 'Cause Jesus said so. And Jesus tells the truth. Nothing is impossible for God. God spoke a word and created the whole world out of nothing. Jesus spoke a word, and the blind could see, the lame could walk, and the dead were raised. And at the word of Jesus, spoken today through His priest, bread and wine is changed into His Body and Blood. Nothing is impossible for God. But we say Amen today because we believe in Jesus. So let your Amen today be big. **Amen**, Jesus! I do believe!

"God our father, we give you thanks and praise for fathers young and old.

We pray for young fathers, newly embracing their vocation; may they find courage and perseverance to balance work, family and faith in joy and sacrifice.

We pray for our own fathers around the world whose children are lost or suffering; may they know that the god of compassion walks with them in their sorrow.

We pray for men who are not fathers but still mentor and guide us with fatherly love and advice. amen"

@Pontifex
Let's always remember that our faith is concrete: the Word became flesh, not an idea!

Pope Francis: Hypocrisy Destroys Communities and Hurts the Church

Pope Francis urged Christians to be truthful, warning them against the temptations of hypocrisy and flattery. Pope Francis explained that Jesus often uses the adjective "hypocrite" to describe the doctors of the law, because, as the etymology of the word illustrates, they claim to have higher standards or more noble beliefs than is the case, they proffer their opinions and issue judgements but in reality they are false. "The hypocrite always uses language to flatter" just as some Pharisees and Herodians who tried to ensnare Jesus in his speech. "Hypocrites always begin with adulation, "exaggerating the truth, feeding into one's vanity". Jesus makes us see reality which is the opposite of hypocrisy and ideology Flattery, is triggered by "bad intentions" as in the case of the doctors of the law. They put Jesus to the test, flattering him first and then asking him a question with the intention of making him fall into the wrong: "Is it lawful to pay the census tax to Caesar or not?" "The hypocrite, is two-faced, but Jesus knew their hypocrisy and said: 'Why are you testing me? Bring me a denarius to look at.' Jesus always responds to hypocrites and ideologists with reality: 'this is the reality; everything else is either hypocrisy or ideology'. In this case he said: 'bring me a coin', and he answered with the wisdom of the Lord: 'Repay to Caesar what belongs to Caesar – the reality was that the coin carried the image of Caesar - and to God what belongs to God'." "The language of hypocrisy is the language of deceit, it is the same language the serpent used with Eve." It begins with flattery, and ends up destroying people: "it tears to pieces the personality and the soul of a person. It destroys communities". "Hypocrisy is so bad for the Church" the Pope said with a warning to all those Christians who fall into this sinful and distrustful attitude. "The hypocrite is capable of destroying a community. The only way to respond to flattery is with truth; the only way to respond to ideology is with reality. "Let us ask the Lord to guard us from this vice, to help us be truthful, and if this is not possible to keep silent – but never to be a hypocrite" he said. (from Vatican Radio)

At Fatima in Portugal in 1917 Mary appeared to three children several times. She urged them to pray the Rosary in sorrow for sin, and for the conversion of sinners to a better way of life. In the reign of Pope Pius XII, the custom developed of having a statue of Our Lady of Fatima carried from place to place to encourage people to respond to Mary's request, we have such a statue. If you'd like to have her in your home for a week, contact the Office of Ministries at: 439-0124 ext.105 or 106.

Oración a San Miguel Arcángel

San Miguel Arcángel, defiéndenos en la batalla. Sé nuestro amparo contra las perversidades y asechanzas del demonio. Reprenda Dios, pedimos suplicantes, y tu príncipe celestial de la Sana Hostia arroja al infierno con el divino poder a Satanás y a los otros espíritus malignos que andan dispersos por el mundo para la perdición de las almas. Amen

¡Amén! ¡La Sangre de Cristo! ¡Amén! Es una gran afirmación. Es un gran "Amén". Es una gran cosa decir que recibimos el Cuerpo y la Sangre de Cristo en la Sagrada Comunión. Es casi ridículo decir en cada Misa que creemos, por el Ministerio de los sacerdotes de Cristo, por el poder de las palabras del mismo Cristo y el trabajo del Espíritu Santo, el vino y el pan común se convierten en el Cuerpo y la Sangre de Cristo. Pero eso es exactamente lo que creemos. La verdad sobre la Eucaristía es difícil de comprender, pero Jesús es muy claro sobre lo que quiere decir aquí. De hecho, él continua repitiendo, en caso de pienses de que dijo algo diferente. "Yo soy el pan de vida... El pan que yo daré es mi carne... Quien come mi carne y beba mi sangre vivirá para siempre... Mi carne es verdadera comida... Mi sangre es verdadera bebida..." ¡Él sigue y sigue! Y lo creemos. ¿Por qué? Porque Jesús lo dijo! Y confiamos en Jesús. El "cómo" se explicaría más tarde. Jesús mostrara el "cómo" en la última cena. Durante muchos años, Santos y grandes intelectuales Cristianos como Santo Tomás de Aquino explica el "cómo" de la Eucaristía. Vale la pena considerar. ¿Pero el "por qué"? Eso es simple. Porque Jesús lo dijo. Y Jesús dice la verdad. Nada es imposible para Dios. Dios dijo una palabra y creo todo el mundo de la nada. Jesús dijo una palabra, y los ciegos vieron, los cojos caminaron y los muertos fueron resucitados. Y en la palabra de Jesús, dichas hoy a través de Su sacerdote, el pan y vino se convierten en su Cuerpo y su Sangre. Nada es imposible para Dios. Pero decimos a Amen hoy porque creemos en Jesús. Así que tu Amen hoy sea grande. **Amén**, Jesús. ¡Creo!

A PASTORAL MESSAGE FROM
The Most Reverend Armando X. Ochoa
Bishop, Diocese of Fresno

Earlier this year, after extensive consultation and prayer, I arrived at a decision that the Diocese of Fresno would seek the services of a brokerage firm to help us identify a potential buyer for our non-commercial broadcast license for our diocesan television station, KNXT. The decision was very difficult following the recent celebration of the station's 30th anniversary as the only full power 24/7 Catholic TV station in the nation. However, we knew the diocese could not continue to financially sustain the 1.2 million dollar budget when there are so many other areas of ministry that need to be supported, as well.

When the CatholicTV Network, which serves throughout our country under the auspice of the Archdiocese of Boston, became aware of our situation they reached out to us to see how they could assist. They visited us in early April and an ongoing dialogue was opened up.

In collaboration with my established Transitional Team and our College of Consultors a brighter horizon began to materialize as we explored new possibilities that could allow us to retain our broadcast license, decrease our expenses, increase our financial support, upgrade the quality of our technology and develop the content of our programs to more effectively support our primary mission of evangelization.

Downsizing our staff was the first step in decreasing cost. This was a very difficult process, as the employees that were released are gifted and appreciated members of our Pastoral Center family. I cannot fully express my gratitude for the dedication and loyalty of our coworkers at KNXT and the cooperation they have shown in this difficult transition.

As we move forward, this has also become a joyful time of great anticipation, as we cross the threshold into a season of change which, I believe will lead us into a renewed and exciting ministry committed to proclaiming the Gospel locally and nationwide.

As we move forward, there will be several changes to our programming and schedule taking place throughout the summer months, beginning this week. This is only the beginning and just a small part of the new KNXT you will witness over the next 6 months! KNXT will have a more robust change with an official re-launch of the station during the first week October which will have more KNXT programming including locally produced Spanish Mass and rosaries on Monday, Wednesday and Friday and Portuguese Daily Mass and rosaries on Tuesday and Thursdays.

I thank you for your patience during this transitional time. I invite you to tune in often to see the benefits of our developing partnership with the CatholicTV Network. We will benefit by broadcasting an increased number of their excellent programs; and the nation will benefit from our local contribution of multilingual / multicultural programs.

As we continue to live through this challenging time in our nation and in our world where we are constantly overwhelmed with bad news, it is crucial that the Joy of the Gospel has a platform. May God continue to guide us and bless us in this new endeavor. Thank you for supporting this vital ministry as we move forward with you. May God bless you abundantly.
